K. C. ENTERTAINMENT VERY SUCCESSFUL

GOLDFIELD SENDS A LARGE DELEGATION AS GUESTS OF TONOPAH

Tonopah council, Knights of Columbus, entertained the members of the Goldfield council and lady friends last night at their home on Brougher avenue. The affair was one of the largest ever witnessed in the handsome clubrooms. The hall was beautifully decorated with the colors of the council, purple and white, and hundreds of American beauty roses were cleverly and artistically arranged in the magnificent ballroom. A fine musical program was enjoyed and several short, snappy and interesting speeches were made by members, followed by a delicious repast on the veranda, which was especially illuminated for the occasion with festoons of electric lights. Dancing was enjoyed until an early hour this morning.

The program was: Address of welcome, D. N. Nolan; a duet by Jack McGinn and W. M. Roach; vocal solo by Miss Ethel Farrell; remarks by Leo Harrington; vocal solo by Rev. Father J. Diss; remarks by George G. Ryan of Los Angeles; solo by Miss Georgia Money; vocal solo by the Caruso of the desert, Edward Walsh, of Goldfield; and a little talk by Thomas J. Lynch.

The Goldfield visitors who motored over last night were: Ed. Walsh, P. H. Dermody, Art. Dolan, J. Daley, Lester Cannon, Tom O'Brien, Wallace Campbell, John W. Crane, Frank Farrell, J. Pelose; Misses Lena Falvey, Mary Collins, Hazel Dolan, Hazel Gill, Florence Daley; Mrs. P. H. Dermody, Mrs. J. Pelose, and Miss C. Walsh.

WISER ONES BELIEVE MEDIATION IS NEAR

THE HAGUE, Netherlands, July 28. The appointment as Turkish minister at The Hague of Kuktur Bey, who, according to advices from Constantinople, is one of the best diplomats of the Young Turks, is interpreted by the Dutch press as showing that the Porte imputes a special importance to this post in connection with the role which Holland and its queen are expected to play in eventual mediation for the opening of peace negotiations and with the probability that such negotiations will take place here. Muktur Bey was under secretary of state at the Ministry of Foreign Affairs in Constantinople at the time of his appointment, and before the war minister at Athens. He is just over forty and is described as an excellent public speaker and a cosmopolitan by nature.

LAST DAY TO REGISTER FOR PRIMARY ELECTION

JUSTICE COURT WILL REMAIN OPEN THIS EVENING AS LONG AS APPLICANTS APPEAR

The number of registrations at 3 o'clock this afternoon was 1253. The women are gaining in number, while the Republicans have a shade over the Democrats. Only one day more remains for those who have not registered their political affiliations to get their names on the register for the primary election. The registration office is to be open until 9 o'clock this evening and tomorrow evening, but Justice Dunsen says he will remain at his post as long as there is any one waiting to be enrolled.

GOLDFIELD MOTORISTS COLLIDE WITH TRAIN

SUPERINTENDENT OF JUMBO EXTENSION AND COUPLE OF FRIENDS SUSTAIN INJURIES

Lou L. Dellinger, superintendent of the Jumbo Extension mine in Goldfield; Harry Oakley, janitor at the courthouse, and Pat Daley were injured yesterday morning at 10 o'clock when their car collided with train No. 23, which was backing into the T. & G. railroad station at Goldfield. The machine was badly damaged and all occupants severely cut with the broken glass of the windshield. Dellinger, who was driving, failed to see the train in time to turn out or stop, although he attempted to avert the accident by running up the embankment. The front wheels left the road, causing the machine to skid into the Pullman.

YOUNG MAN, BEWARE OF THE VASSAR GIRL!

Firm Advocate, She, of the Rule That the Wife is the Boss Around Home.

Poughkeepsie.—The young men who keep on their dressers framed pictures of fair Vassar students and dream dreams of steam heated flats when they gaze at them will do well to note the fact that fifty of these students heartily applauded the assertion of a witness in the supreme court that his wife was boss around their house. It was the spontaneous sort of applause that makes even a thoughtful man thoughtful, and it persisted despite the raps for order which Supreme Court Justice Young sounded, while he grinned behind a magisterial hand.

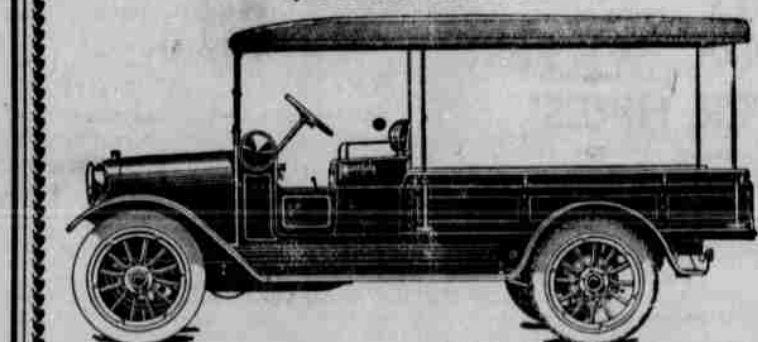

The young women, members of the political science class under Professor E. D. Pite, were in court learning something of judicial procedure when the witness on the stand, in answer to a question whether he had consulted his wife regarding a certain action, said: "No, sir; I don't have to. My wife is boss in the house."

Patter, patter, patter went white gloved hands in earnest applause of the witness' honest attitude, and the young women nodded approvingly at one another.

ROTHSCHILD'S GIVES WINNINGS TO POOR

(By Associated Press.)
VIENNA, July 28.—The rich Austrian derby prize of 122,000 kronen (nearly \$25,000) which was captured on June 11 by Sanskrit, Baron Alfons Rothschild's horse, is to be spent for charitable purposes, according to an announcement of the Baroness Rothschild.

In the absence of her husband in the field, the Baroness represented him at Freudenau on derby day, and soon after their horse had won she made it known that the richest prize of the entire racing year in Austria should be divided equally between the Red Cross, the "Conrad von Hoetzendorf fund," the fund for blind established by the ministry of the interior, and the "day home for war orphans and children."

WEDDING SUPPER GIVEN AT THE HARRINGTON HOUSE

A wedding supper was given last night at the Harrington hotel in honor of Mr. and Mrs. John Zenker, who were united in marriage yesterday by Justice Dunsen. The bride, who in the past was known as Mrs. Miner, was beautifully gowned in white crepe de chene.

Mr. Zenker is a well known mining man in this vicinity. He was among the early gold seekers who rushed to the fertile fields of Nevada at the time of the Goldfield excitement and has since that time been actively interested in the mining of this state. Among those present at the very sumptuous repast were Mr. and Mrs. Burke, Mr. Hubbard and Ruth Hogan. The couple will make their home in this city.

FIRST CAFETERIA STARTED BY WOMEN

EXPERIMENT IN LOS ANGELES BROUGHT QUICK PROFITS TO FOUNDERS

(By Associated Press.)
LOS ANGELES, July 28.—If you were a woman absolutely inexperienced in business, save for having run a Y. W. C. A. lunch room in a small Michigan town, and you took into partnership two women who had not ventured ever thus far into business, would you expect to revolutionize people's eating habits and incidentally make \$40,000 for yourself in seven years? It has been done.

In May, 1905, Miss Helen Mosher, of Michigan, with Mrs. Nellie Estab and Mrs. Pauline Botta opened, on the fringe of the downtown retail district here, a noon lunch room, especially catering to business people.

Curious persons investigating the "Cafeteria" signs on the windows found a well lighted semi-basement room with 75 tables, a long steam table heaped with home cooked foods, and stacks of trays on one of which each proceeded to carry to a table the meal of his own choice. He also had to carry his empty dishes back to the rear of the room when through. Within a few days a queue of would-be patrons extended into the street at each lunch hour, and within a few weeks the same phenomenon existed at the dinner hour.

Since that time much of life in Los Angeles has been just one cafeteria after another. Within a year or so after the establishment of the first cafeteria, practically every downtown restaurant except the most expensive and the comparatively few serving liquor, had gone out of business. At present tens of thousands of meals are served in the downtown cafeterias daily, one place, two blocks from the original cafeteria, which still exists, seating 100 persons. Women as owners have entirely disappeared from the local field.

LEVY-HOBSON NUPTIALS CELEBRATED LAST MONDAY

Miss Rosalie Levy, daughter of Mrs. Florence Balliet, aged 18, was married to Mr. Arthur H. Hobson, aged 24, of Napa, Cal., at 11 a. m. last Monday. The wedding ceremony was held in the apartments of the bride's mother, on Larkin street, San Francisco, with a few close friends of the couple present. Miss Levy is well known in Tonopah, where she resided several years. She was born in New York state on April 15, 1898, came to Tonopah in 1911 and was known here as Rosalie Balliet, as Mrs. Balliet's daughter. For the last four years she has been attending school in St. Gertrude's academy, at Rio Vista, Cal., and in June this year completed her junior year in the business department. Mr. and Mrs. Hobson will reside in Napa, where Mr. Hobson is in business.

REO ESTABLISHES AGENCY IN TONOPAH FOR ITS CARS

N. L. Schade, of Tonopah, has been appointed agent for the Reo trucks and cars in the southern country. The appointment is one of the best that could have been made since Mr. Schade is known for his energy and enterprise and has every facility for presenting the products of the Reo company to the best advantage. The truck has found favor with several companies operating in outside districts where the question of delivering ore to the railroads furnishes an important item in the operating costs. In every case the Reo truck has given satisfaction, holding up to representation in every detail and demonstrating its fitness for service under the most exacting conditions. Of the princely Reo cars it is not necessary to speak, as they occupy a place by themselves and any one seeking an automobile with the distinction of exclusiveness and economy of operating will always turn to the Reo.
